

Reception for

Communications **Engineering Students**

of all years

Join your fellow students and faculty members in the Communications Engineering Program for a fun evening

Are you a junior Communications Engineering student and would like to learn more about higher year courses, challenges, 4th-year projects ... or a senior student wondering about future job possibilities, graduate studies, ...? Then come out and participate in this event, socialize, and network with other students and professors in the Communications Engineering Program.

Location: Unicenter Room 231

Time: Monday, March 27, 2006, 5:00 – 7:00 p.m.

Free Pizza and Pop
