### General Information and COVID-19 Protocols:

- These sessions are for current/recent Carleton Masters swimmers only. Note that Carleton memberships will not start up again until the Fall session.
- A COVID waiver form needs to be completed during your online registration. In addition, a COVID screening form will be sent to you before each swim via SurveyMonkey. Pool staff / coaches will be checking with you that you have completed this at every session. If not, it will have to be done via your phone before your swim.
- Participants should shower before coming to the pool. It's recommended that you wear your swim suit to minimize locker room time.
- Showers and saunas will be closed. Some washroom sinks, toilets, and urinals will be unavailable. There will be no access to lockers. Bring your clothes and valuables onto the pool deck in a gym bag.
- Masks must be worn at all times inside the facility, except when getting in/out of the pool and while swimming. Use the provided hand sanitizer upon entry to the facility, and before and after your swim. Maintain physical distance of 6 feet at all times during the facility and your swim.
- Arrive at Alumni Hall no earlier than **4:45pm**. Enter the change rooms and access the pool deck via the regular entrances. The swims are from **5:00-6:00pm**. The men's and women's change rooms will be locked at **5:15pm** for cleaning. The toilet in the gender inclusive change room will be available during the entire swim. After the swim, you will exit the pool area and enter the change rooms via the back door landing and stairs. Exit the locker room by **6:15pm** to permit the next group to enter at that time.
- We will be using the entire pool with 6 double-wide lanes, three each in the deep and shallow end. There will be at most six people per double-wide lane. All lanes will swim counter-clockwise swimming up one black line and down the other. The coaches will provide guidelines on maintaining physical distancing within each lane. Each swimmer will be assigned a lane and will remain in that lane for all 6 swims.
- You may only attend the swims that you are registered for.
- No pool-owned equipment is available for the trial (kickboards, pull buoys, fins). You may bring your own equipment, except that snorkels are not permitted. Workouts will be designed so that “toys” are not required.
- There will be two coaches (one at each end). Coaches and workout themes are still being finalized.
- We are still working on access to permanent lockers, and confirmation about parking. Assume that you will be able to park in Lot 5 unless you hear otherwise.

If you have any questions about the above, just ask.

## Notes and Reminders

### Students May Add Carleton Masters to their Co-Curricular Record

Carleton students who swim with Carleton Masters may now get this added to their co-curricular record. Just add "Carleton Masters Swim – Member". Information on how to do this is provided here: <https://carleton.ca/seo/ccr/>.

### Aquasport Discount for Carleton Masters Swimmers:

Carleton Masters is now registered with Aquasport, which means that you get a 15% discount on regularly priced merchandise at all their stores. (No discount on sale merchandise.) In Ottawa, they are located at 2730 Iris Street in the West End. **To get the discount, just tell the staff that you are with Carleton Masters** (no proof is required!).

**Carleton Ravens Gear:** Swim caps (\$15) and T-shirts (\$20) are available as a fundraiser to support the Varsity team:

**Swim Suits for Sale:** The suits range in brand, style, and colour. Most prices are \$45 and less. The swim suits are available for browsing whenever I am coaching – just ask! If there's a particular suit you are looking for, I may be able to track it down.

**Caps and Goggles to Borrow:** I always have a "lost and found" bag full of spare caps and goggles to borrow if you forget (or break) yours.

**Swim Caps for Sale:** The money raised selling these caps goes towards the \$45 annual fee to register Carleton Masters with Masters Swimming Ontario. We have a few triathlon latex caps (50c), as well as some silicone caps (\$2). Ask if you're interested in looking at these. If anyone has any caps that they'd like to donate, they would be most welcome.

**Nose Clips for Sale:** Cost \$5. Contact me if you are interested.

**Carleton Masters Swim Team Photos:** Check out some new and old team photos: <http://www3.sympatico.ca/lynnmarshall/teamphotos.html>.

**Newsletter:** An e-newsletter (like this one) is sent out about every two weeks. If you have new lane-mates, please mention to them that they should give their e-mail address to their coach if they'd like to receive it.

**Suggestions for Workouts or Interested in Making up a Workout or a Set?:** If you have suggestions for the workouts (something you like that we never do, or something you dislike that we do too much!), or if you'd like to try making up a workout or a set in a workout, just talk to your coach.

**Interested in Copies of my Workouts?:** Are you interested in getting copies of my workouts ahead of time? Let me know. I usually e-mail out a month's worth of workouts at a time. (Note that these are only the workouts that I coach.)

**Triathletes:** Check out Rudy Hollywood's website: <http://www.trirudy.com> and subscribe to the daily tri-news e-

mail. Another good resource is <http://www.slowlitch.com/>. Lots of free triathlon advice, a training log and challenges like the 100 runs in 100 days!

**General Information:** Program information, photos, old newsletters and the Carleton Masters records, among other things, can be viewed at: <http://carletonmasters.tripod.com>.

Your input to this newsletter is most welcome, especially for the Swimmer Notes, Race Results and Ask the Coach sections! To be added to or removed from the receiver list, just let me know ([lynnmar@sce.carleton.ca](mailto:lynnmar@sce.carleton.ca)).

Happy lengths!  
Lynn
