In line with the recent Provincial announcement, Carleton has officially announced that the closure of the Athletic Facility has been extended: <https://athletics.carleton.ca/2021/carleton-athletics-facilities-closed-dec-20-through-jan-9/>.

Note that "until further notice" is until at least January 26. Once the reopening date is finalized, memberships and program fees will be adjusted.

I will continue to send the newsletter approximately every two weeks and will provide an update on the facilities when available.

While the next "official" newsletter will be the week of January 10, I wanted to take advantage of this update to let you know that two of our swimmers participated in the 100 x 100m long course organized by **Steve Papai**, of the City of Ottawa, at the Sportsplex on the evening of December 30. What a way to finish off the year! That is a **lot** of swimming and the first time that either **Margaret Janse van Rensburg** (8:40am Earlybirds) or **Erica Tice** (7:15pm/6:00pm Whitecaps) had done this challenging workout! You rock, ladies!

**Margaret Janse van Rensburg** (8:40am Earlybirds) after 100 x 100m.

Erica Tice (7:15pm/6pm Whitecaps) after 100 x 100m.
