Subject: Update: Tue a.m. Pool Closure: Carleton Masters Swimming Newsletter #582A

All:

Due to an unexpected water shutdown in Athletics this evening (<https://athletics.carleton.ca/2022/pool-closed-due-to-water-outage/>), the Carleton pool will be closed Tuesday (June 28) morning. The hope is that the pool will reopen for the 11:45am swim. If you plan to swim then, I recommend double-checking the web site before you go to the pool.

The Tuesday evening and Wednesday morning workouts will be a “go” unless you hear from me otherwise.

Best.
Lynn
